Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School with important information about masks and bus riders.

- Please know that the masks' mandate is still in place for schools. Students riding the bus must have their masks on before boarding the bus and must keep them on the entire ride to and from school. Whether you agree with masks or not, we need your help and support as we follow the guidelines and requirements that are meant to keep students, faculty/staff, and bus drivers safe.
- Drivers will accommodate a student (s) without a mask in the AM, and contact the parent/guardian if it becomes a pattern. We do not want this to become a discipline issue so make sure your student has his or her mask on before boarding the bus.
- All school-wide expectations and rules apply on Caddo buses. Please know that riding the bus is a privilege and not a right.
